## Letter from the President

### So Much Is Happening

Wow! Amazing Shabbat Shira celebrating Cantor Penny Myers' 10<sup>th</sup> year at TBZ, a great history of jazz in Buffalo and concert by the Colored Musicians Club, T'u Bishvat Seder, and that was just one weekend at your synagogue. We had more than 600 people in our Delaware Building. Cantor Myers and her family presented us a beautiful Torah cover to remember this outstanding celebration.

We are so proud to gear up for this 50<sup>th</sup> anniversary of the Delaware Building. Please check the TBZ Bulletin and the website [tbz.org](http://tbz.org) for the myriad events and opportunities.

We need you! [TBZandME@tbz.org](mailto:TBZandME@tbz.org) is the best way to engage and volunteer. We have a Gala to plan, an architectural symposium to build and the amazing Cofeld Judiatic Museum to highlight. There are only so many hours in a day, and many of us want to help. There is planning and engagement happening, and it's a focused effort - not monthly meetings. (Those are for different committees that need the timing and structure to accomplish TBZ goals for our congregants.)

Who was around in 1966 - 1967? Let's make sure that we reach far and wide to include those who have a history with TBZ and their extended families. If it's you, THANK YOU! Thank you for giving us this amazing community and not letting it go by the wayside when things got tough. Much like yesteryear, community means support, laughter, spiritual connectedness, even a great bowl of matzo ball soup or a game of dreidel.

Our Achim programming is going well and allows our Brotherhood to be the catalyst for information and community. The Sisterhood is so involved and has been a caring and amazing group of women who support our Temple both young and old. Rabbi Freirich is holding informal discussions at local restaurants and bringing interesting groups together. The Kulanu group, along with Jewish Pride of Western New York, had a movie screening. And, of course, we have our Jewish Spirituality Center events weekly for all ages. There is so much happening for any of your Jewish needs. If you would like to start an affinity group of your friends and need our help - just ask.

Please check the calendar and weekly emails, and let's continue to make Temple Beth Zion a hub of Jewishness for ourselves. It's our congregation, and we all make a difference.

Save the date for the Official Clergy Installation on March 24 and Anat Hoffman on March 25.

b'shalom,  
~miriam

## Letter from the Rabbi

### The Pioneering Spirit

"Jew by birth, rebel by choice" – these words help describe both Anat Hoffman and her message.

Thanks to the generous support of the Halpern Memorial Fund, we will host Anat Hoffman, who was the Israeli newspaper Ha'aretz's Person of the Year in 2013 and is a leading visionary and activist of our time.

Most recently, Anat has been the inspirational and practical leader of the Women of the Wall movement, even as a headline in Ha'aretz stated, Women of the Wall is the least of Anat Hoffman's Achievements. Her fight for religious pluralism has rallied International Jewry to the cause of Jewish Civil Rights in Israel. Anat is the Executive Director of the Israel Religious Action Center and served for 14 years on Jerusalem's City Council, where she fought against the Orthodox dominance of Jerusalem and supported the rights of all Israel's citizens.

On Friday evening, March 24, at 7 p.m. during our regularly scheduled Shabbat services, we will install our Clergy Team with honored guests, including Cantor Barbara Ostfeld, the first ordained woman cantor and a longtime member of TBZ, and Rabbi Myra Soifer, one of the first ordained women rabbis. Ms. Hoffman will headline the event and place our ahead-of-the-curve vision for Jewish communal life in the context of Jewish traditions of innovation.

Saturday, March 25, Anat Hoffman will lead a special Torah Study session in the Sisterhood Chapel, starting at 9:15 a.m.

Saturday evening, March 25, at 8 p.m., back in our Sanctuary at 805 Delaware, Ms. Hoffman will speak with our Buffalo community on the topic of "If It Ain't Broke - Break It!," following the great Jewish traditions of breaking the tablets. A reception will follow.

Temple Beth Zion serves as the beacon for a Judaism linked to the traditions of our ancestors while also focused on the horizon – looking for how to continue millennia of Jewish evolution and transformation to better serve each other and the world. The Halpern Weekend's scholar, Anat Hoffman, leads world Jewry with the same values. We agree that love for creation and the Jewish people demands fierce activism and advocacy in the pursuit of justice.

Please make sure to join us for one or all of Anat Hoffman's moments with us on March 24 and 25 - she is an inspirational leader and teacher.

Rabbi Jonathan Frierich

## Together We Are TBZ: Volunteer Spotlight

**Martin Lewin - Volunteer Docent, tour guide**

Temple Beth Zion's sanctuary has such a rich history, and has so much beautiful symbolism it would be a shame to keep it all to ourselves. We don't! We provide tours to the public when requested. One of our volunteer tour guides is Marty Lewin.

Marty explained, "We get a lot of catholic schools in the spring. The students are so interested in the building and they want to learn about our customs. When we walk through the Cofeld Judaic Museum I am able to expand on what they have learned by showing them the items we have on display."

"I really enjoy the children" said Marty, "when we look at the stained glass and they finally see the hand of G-d reaching out with all creation in the hand, it is very rewarding."

Tours are not only for students; our award winning building contains beautiful pipe organs, incredible stained glass and our museum collection. It is a draw for people from all over and a rich part of Buffalo's architectural history.

You don't have to be an expert to become a tour leader and docent. As Marty noted, "It is easy because we have an overview for docents and actually, being a docent is a revelation to learn more about our building. That is most satisfying, that and spending time with the students themselves."

As we approach the 50th Anniversary of our Delaware building, interest is growing and we are in need of volunteers to help lead tours. This opportunity is best for volunteers who are: comfortable in speaking to small groups about the sanctuary; able to escort groups throughout the sanctuary and museum; have a flexible schedule – days or early evenings are often most requested; are interested in (and a love for) the 805 Delaware building. If you can help, please Contact TBZandMe@tbz.org for more information.

Leading tours is just one of the ways, you can make a difference in the TBZ family as well as do a mitzvah. Together we are TBZ, we can all help!

## Mishpacha of the Month: The Levin Family

Ken Levin is director of customer analytics at HSBC Bank, USA. He has a Ph.D. in social psychology from Syracuse University. Ken enjoys spending time with his three children, and he plays any instrument he can get his hands on, especially the piano, guitar and mandolin.

Merredith Levin is a proud mom of three great kids who moved cross country just to fall in love with the perfect Jewish boy from Buffalo. They moved back 14 years ago to raise a family here. Together, Merredith and Ken created Heart Works, a local nonprofit whose mission is to improve the lives of children born with heart defects in honor of their son Charlie. She is a Realtor with RealtyUSA specializing in matching you with the perfect home.

Parker Levin is 11 years old and in sixth grade at Transit Middle School. She plays piano, violin and just started the cello. She has been playing soccer since she was 4 and is currently on the Amherst Legends Travel Team. Parker loves singing, drawing, laughing and being crazy with her friends and family.

Charlie Levin is in third grade and attends Maple East Elementary. His favorite subject is math and considers himself a "Math Whiz." He enjoys playing the piano. He loves to play baseball and dabbles in golf and magic tricks. (He puts on a pretty mean "El Magico" magic show!) Charlie has had five open-heart surgeries and is proud to be living as a Heart Warrior.

Archie Levin attends school at PALS and is almost 5. He plays the piano and is awesome on the harmonica. He loves to play with Play-Doh and says he is a super hero with every power in the world. He enjoys running all over the neighborhood and making friends. Archie says when he grows up he wants to be Doctor Play-Doh.

## Mitzvah Project of the Month: The Voice of Ben Gordon Kohn

Our voice is a part of our identity, so imagine if you couldn't talk or express yourself. More than 10 million people lack the ability to speak due to cerebral palsy or other disorders. Many of them use machines with the same monotone, generic, synthetic voice and text-to-speech programs with no emotion.

After hearing a story on NPR, **Ben Gordon Kohn** had an inspiration for his Bar Mitzvah project. He did a bit of research and decided to donate his voice to VocalID, so that kids could speak in a voice that suited them - not an adult, robotic voice. He realized that sharing his voice could change someone's life.

VocalID ([vocalid.co](http://vocalid.co)) is a project launched by scientists Rupal Patel and Tim Bunnell aimed at designing personalized synthetic voices so that people with severe speech impairments can use a voice that fits their age, gender and personality, so everyone can have their own voice, making communication more human. The researchers have developed algorithms to build unique voices for those unable to speak without computer assistance, giving them a vocal identity. More than 14,000 speakers from over 110 countries have contributed in excess of 6 million sentences to the growing spoken repository, the Human Voicebank.

Donation is done by recording approximately 3,500 sentences with a computer and headphones. Researchers at VocalID are bringing the speaking machine to life. VocalID especially needs more donated kids' voices to synthesize as kids are still trying to figure out who they are and their voices are always changing. Having their own voice is important to their self-esteem and confidence.

Ben is hoping that others will join him in this unique Mitzvah project, child and adult alike. If you would also like to donate your voice, please email Ben at [bgkohn@gmail.com](mailto:bgkohn@gmail.com). When you sign up you can become a Voice Ambassador, so you can have all your friends at work or school donate, too. The gift of your voice can change someone's life.

## Kulanu Group Update

TBZ's Kulanu group has teamed with Jewish Pride of Western New York to present two successful programs in 2017. In January, Rabbi Drorah Setel led a discussion on "Lilith - Reclaiming the Divine Heroine of Darkness, LGBTQ Perspectives." More than 30 people heard Rabbi Setel trace the development of the character of Lilith, beginning with early Mesopotamian texts and images, through the middle ages and to the present. As an untamable and uncontrollable sexual rebel, Lilith became an inspiration for Jewish feminists in the latter part of the 20<sup>th</sup> century and, more recently, for the LGBTQ community.

At the end of February, a second joint program included a screening of the documentary film "Trembling Before G-d," followed by a discussion led by Rabbi Freirich. The film, which is structured as interviews with gay and lesbian Jews, and also with heterosexual rabbis and psychologists, intimately tells personal stories of gay and lesbian Hasidic and Orthodox Jews, and their efforts to reconcile their sexuality and their religious beliefs.

Planning will begin soon for Pride events in June. For more information, or to participate, please contact Rabbi Scheldt at [rabbischeldt@tbz.org](mailto:rabbischeldt@tbz.org), or at 836-6565, Ext. 137.

Jewish Pride of Western New York is a group of individuals and organizations dedicated to bringing together the Jewish LGBTQ Community of Western New York, providing information on Pride, local resources and events. Partner organizations include TBZ, the Jewish Federation of Greater Buffalo, Yad b'Yad, Nickel City Jews, Congregation Shir Shalom, the Bureau of Jewish Education, Temple Beth Tzedek, Hillel of Buffalo, the Holocaust Resource Center of Buffalo, the JCC of Greater Buffalo, and Jewish Family Service of Buffalo & Erie County. ## Temple Beth Zion Memories

This year, we mark the 50th anniversary of Temple Beth Zion's 805 Delaware Avenue Sanctuary and building. The outstanding features of the Sanctuary are the stained-glass art windows that anchor the building opposite each other. Designed by Ben Shahn, created by Willett Glass, and brought to fruition by Benoit Gilsoul, they required technical innovation to enable unobstructed views of window designs to support their size and weight. This was achieved through a team approach with Willet Glass working to adapt the paintings, and Robert West of West, Preston and Sollenberger Associates of Lawrenceville, New Jersey, providing technical engineering advice in consultation with Ben Shahn.

The largest window illustrated a verse from the Book of Job, and the smaller window facing onto Delaware Avenue, featured the 150<sup>th</sup> Psalm, which was sung at the dedication of the first Temple Beth Zion in 1865. Ben Shahn's artistry continued in the calligraphy design of the letters on the bimah, and a free-standing menorah. Watch this space for the next *Temple Beth Zion Memories*.

You can make a contribution to the Sisterhood Service Fund for various life cycle occasions. Make your check payable to TBZ Sisterhood and send it to Temple Beth Zion, 700 Sweet Home Road, Amherst, NY 14226. ## Women's Health Program

**Sunday, April 30, at 1 p.m.**

**Broder Center, 700 Sweet Home Road**

Sisterhood is pleased to present a special Women's Health Program for the women of the community. The best way for all of us to be as healthy as possible is to eat right and stay active. Our two speakers, Brandi Freiman and Audrey Pike, will be on hand to talk and answer our questions about being our healthiest selves.

Brandi Freiman, MS, RD, is a nutrition expert and a member of our Congregation. She has been a registered dietitian for more than 20 years and has worked for Brigham and Women's Hospital in Boston, the National Institutes of Health in Washington and taught nutrition classes at the University at Buffalo, co-authored a book for Reader's Digest and currently counsels private patients. We will talk about how to eat healthy as we age and review some of the most recent ideas about how to stay healthy and prevent disease through food and nutrition.

Audrey Pike is a certified pilates instructor and trainer who owns a studio in Williamsville. She considers herself to be a movement practitioner. Audrey uses a variety of methodologies to help people become stronger and live a better life. She will address issues of balance and others that affect us in our daily life.

This program is free and open to all women. If you have any questions, contact Halli Glina at (716) 553-8883.

## Achim to Feature Dr. Davidson

The Brotherhood of TBZ is pleased to announce that the March Achim program will be held at 10 a.m. Sunday, March 5, in the Meadows Lounge, located at the Weinberg Campus, 2650 North Forest Road, Getzville.

The featured speaker will be Dr. David M. Davidson, a renowned local podiatrist and educator who will present a program on the health of the feet and legs and will be particularly discussing the problem of diabetes in regard to foot health. There will be an opportunity for questions.

Achim is for the benefit of the residents and their guests at the Weinberg Campus and is open to the public at no cost. The entire community is welcome to attend.

## New Youth Advisor Sought

Are you an enthusiastic and dynamic mentor to teens and youth? TBZ is looking for a new youth advisor.

As youth advisor, you are an important part of the mission of Temple Beth Zion, as you have the unique ability to support our teens and youth as they develop their own Jewish identities. By building relationships with the youth advisor, teens and our younger members will develop strong ties to the other TBZ youth and the larger TBZ community as well as teens from the greater Buffalo Jewish community and NFTY-NEL (National Federation of Temple Youth-NorthEast Lakes Region).

The youth advisor will serve as advisor and mentor to the Senior Youth Group (grades 8 through 12) and organize activities for the Jr. Youth Group (grades 3 through 7). The ability to travel with the teens to out-of-town regional events is needed.

If you are interested or know someone who is, please contact Amy Schaefer (amyschaefer@tbz.org) or Cantor Penny Myers (pennysmyers@tbz.org).

## Welcome, Jennelle

We are delighted to announce that we have a new member of the TBZ family in our office. On January 26, Jennelle Torrey joined us as a new administrative assistant, bringing a strong expertise in computers, online programs and communications as well as many years of experience in working within religious organizations.

She will be supporting our clergy team in caring for our TBZ family and is looking forward to getting to know our many families and helping them celebrate their simchas and caring for each other in their time of need. In the few weeks she has been working with us, she has easily become a welcoming and engaging part of our office staff. Jennelle lives in Lewiston with her husband and stepdaughter.

The program will kick off with a live message from Alan Morinis, founder and dean of the Mussar Institute. The live streamed program will be followed by Mussar text study in communities around the world, meeting in local groups, having lively discussions about the challenge and reporting back to the international audience. ## **Join Together on Friday, April 21: Dedication Anniversary Service**

**805 Delaware Avenue (of course!)**

We will come together on this Shabbat, the anniversary of the 1967 dedication to celebrate the many families and individuals who made this spiritual complex a reality. Individuals and their families from across the TBZ and Buffalo community will be invited to join us in this service.

We invite you to share your memories of TBZ, whether from a special event or simcha or from a meaningful or poignant encounter on an otherwise ordinary day. You and your experiences are part of the present and the history of our Temple, and we would like to include them in our celebrations this year and for the future.

Please email your thoughts to [amyschaefer@tbz.org](mailto:amyschaefer@tbz.org) or send a written copy to TBZ, 700 Sweet Home Road, Amherst, NY 14226. We look forward to hearing from you.

### **Purim Volunteers Needed**

We have Purim tradition! Each year, TBZ members who are in hospitals, nursing homes or their own home receive beautiful Purim baskets, through the joint volunteer efforts of the Caring Community Committee.

#### **We need your help packing and delivering baskets!**

Please call Ann Marie at 836-6565, Ext. 111, if you are able to participate. Bags will be packed with goodies on Friday, March 10. On Sunday, March 12, the bags will be delivered after Religious School.

### **Your Donations Appreciated**

The Caring Community Committee would like to thank all members of the Temple who have contributed generously to our fund. It has enabled us to provide Rosh Hashanah, Chanukah and Purim baskets to members who are in nursing homes or in other situations. We also deliver wine and challah to members who have lost loved ones. In addition, we provide gifts for new parents when they are naming their baby in Temple.

The Caring Community provides many other services. We care for TBZ members, young and old, at times in their lives when they most need loving support. In doing so we hope that our projects are beneficial and help to make everyone feel that they are part of the Temple family.

We would greatly appreciate donations because we are completely funded by members' generosity.

Thank you,  
Leslie Garfinkel
